

## Product Discontinuation Statement

This document outlines an Axis product that will be discontinued and indicates the relevant replacement product.

The following product is covered by this statement:

Discontinued Product	Replacement Product
<b>AXIS M3045-WV</b> [0805-XXX]	<b>AXIS M3065-V</b> [01707-XXX] <b>No wireless replacement</b>
<b>AXIS T94B05L Recessed mount</b> [01150-001]	<b>AXIS TM3201 Recessed Mount</b> [01856-001] <b>No plenum replacement</b>

As of issuing this statement, stock replenishment for the concerned product will be phased out. No additional feature development will be made for the discontinued product. LTS firmware tracks will still receive security patches.

- **Final order date: December 31, 2020**

This is the forecasted final date that the discontinued product can be purchased from Axis. Please note that an unforeseen increase in demand can cause the product to be out of stock before the final order date.

- **End of Support: December 31, 2025**

Axis will continue to give support and RMA service for 5 years after the final order date. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out of Warranty price list applies. Axis RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

Lund, Sweden, March 30, 2020
