

Product Discontinuation Statement

This document outlines Axis products that will be discontinued and indicates the relevant replacement products.

The following products are covered by this statement:

Discontinued Product	Replacement Product
AXIS Q6124-E 50Hz [01069-XXX]	AXIS Q6154-E 50Hz [01510-xxx]
AXIS Q6124-E 60Hz [01070-xxx]	AXIS Q6154-E 60Hz [01511-xxx]

As of issuing this statement, stock replenishment for concerned products will be phased out. No additional feature development will be made for the discontinued product, LTS firmware tracks will still receive security patches

- **Final order date**
 - **November 29th 2019**

The forecasted **final date** that the discontinued product/s can be purchased from Axis. Please note that an unforeseen increase in demand can cause products to be out of stock before the final order date.

- **End of Support**
 - **November 29th 2024**

Axis will continue to give world-class support and RMA service for 5 years after the final order date. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out of Warranty price list applies. Axis RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.
